Some senior officials of the Honduran Government are among the hostages, and the terrorists have threatened to execute their captives unless demands are met. Chief among these is the release of approximately 60 leftist political prisoners 25X1 Comment: 25X1 While this incident is likely to precipitate renewed political debate in Honduras over the government's strong anti-Communist stance in the region, it also could provide valuable propaganda against the left internationally. 25X1 Top Secret 8 25X1
